FOR IMMEDIATE RELEASE

VITRO AMERICA™ NAMES DOUG PENN DIRECTOR OF ARCHITECTURAL ALUMINUM

Memphis, TN: Vitro America™ is pleased to announce the hiring of Doug Penn as Director of Architectural Aluminum. Penn will oversee the growth and expansion of Vitro America's Classic Line™ architectural aluminum products and comes to Vitro America with an extensive and impressive industry background.

"Doug is a tremendous addition to our team. We are growing our product offerings and we have ambitious plans for our aluminum" commented Arturo Carrillo, President of Vitro America. "I am confident that Doug will do great job in building this line to meet the high levels of success and performance that we already have with our other product lines like our EnergyGlaze® Insulating Glass and Envision® All Glass Systems."

Penn arrives at Vitro America with 27 years of industry experience including time with PPG Industries, YKK AP, and the United Glass Corporation. Penn also holds a position within the Glass Association of North America as Chairman of the Building Envelope Contractors division.

About Vitro America

Vitro America™ is a leading fabricator and distributor of architectural glass and aluminum in the United States. With more than 130 years in business, Vitro America has built its reputation on providing the highest quality products and services to meet the needs of the architect, designer, developer, and glazing contractor. With over 20 distribution, manufacturing and fabrication facilities throughout the United States, Vitro America offers a complete array of glass products to meet the design requirements of the complete building team.
