Vitro America™ Announces Organizational Changes

Arturo Carrillo promoted to President of Vitro America, LLC.

Memphis, Tenn., January 21, 2010 – [Vitro America](#) – a leading fabricator and distributor of architectural glass and aluminum products has announced organizational changes at its Memphis Headquarters. Mr. Luis Gonzalez, President of Vitro America since 2003, has elected to leave Vitro effective February 28, 2010. Throughout his 25 year career, Mr. Gonzalez has held positions with both the Glass Container and Flat Glass divisions in different capacities.

Mr. Arturo Carrillo has been promoted to President of Vitro America. Mr. Carrillo's career with Vitro spans seven years, previously holding positions in Strategic Planning and Chief Financial Officer of Vitro America since 2005. Mr. Carrillo received a Bachelor's degree in Industrial Engineering from Cornell University and an MBA from Harvard University. An announcement regarding Mr. Carrillo's replacement as Chief Financial Officer is forthcoming.

About Vitro America

Vitro America™ is a leading fabricator and distributor of architectural glass and aluminum in the United States. With more than 130 years in business, Vitro America has built its reputation on providing the highest quality products and services to meet the needs of the architect, designer, developer, and glazing contractor. With over 20

distribution, manufacturing and fabrication facilities throughout the United States, Vitro America offers a complete array of glass products to meet the design requirements of the complete building team. Vitro America forms part of the Flat Glass business unit of Vitro, one of the largest glass manufacturers in the world backed by 100 years of experience.
